I CORPS WAR FIGHTING CENTER

"Training America's Corps"

I CORPS BSC

Mission

Mission: Support Commanding General I (US) Corps training goals and objectives for US Army and Reserve component units through innovative and cost effective computer simulations. Provide computer simulations support for the I Corps Exercise Program including joint and combined operations. Support Active and Reserve Component Commanders training programs with appropriate Family of Simulations computer supported exercises. Maintain active liaison with TRADOC and other Defense Department Agencies to remain in forefront of simulations technology.

How to Contact/Schedule the BSC

For Headquarters Branch:

Director's Office: DSN 357-4139, COMM (253) 967-4139, or … jolleyb@lewis.arm
Operations Office: DSN 357-4130, COMM (253) 967-4130, or … bsc2@lewis.army.

For Staff Training Simulation

(CBS, BBS, TACSIM, NWARS, IBIS, HRSS / JSS):

Call the Staff Training Simulations Team at: DSN 357-8300, COMM (253) 967-830

For Simulations Training

(JCATS, JANUS, SPECTRUM, DBST)

Call the Training Simulations Team at : DSN 357-4240, COMM (253) 967-4240

For Digital Training

(DBST)

Call the Mission Support Training Facility at: DSN 347-6194, COMM (253) 966-6194

Or … Send written request or HFL 473 to:

COMMANDER, I CORPS & FORT LEWIS
ATTN: AFZH-GTS
BOX 339500
FORT LEWIS, WA 98433-9500

Fax: DSN 357-1467
Fax: COMM (253) 967-1467
